RICHARD W. WIEKING
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
CLERK, OAKLAND

DEAR SIR / MADAM

PLEASE PLACE THE ENCLOSED LETTER IN MY CASE
FILE. I AM ALSO TRYING TO GET MY MEDICAL
AND MENTAL HEALTH RECORDS.

I DON'T KNOW IF I SHOULD KEEP SENDING DOCUMENTS.
BUT I WANT TO SHOW WHERE MY CONDITIONS HAVE GONE
UNATTENDED FOR SO LONG THAT I HAVE A MORE SEVERE
DIAGNOSIS THAN WHEN I GOT TO SAN QUENTIN, AND IT
HAS GOTTEN THIS WAY GRADUALLY.

NC
I DON'T THINK IT WOULD HAVE BEEN SO BAD IF THEY
(MEDICAL & MENTAL HEALTH STAFF) WOULD HAVE ASSESSED
ME WHEN I FIRST ASKED - AND THE DOZEN OR SO TIMES
I'VE ASKED SINCE MY EARLY SUBMISSION OF MEDICAL REQUESTS
AND GOZ'S - THAT STILL HAVE NOT BEEN ANSWERED... TO AT
LEAST SAY THEY'VE BEEN RECEIVED!

ANYWAY, THANK YOU AND THE COURT FOR BEING SO PATIENT
WITH ME.

SINCERELY,

PAUL STELLY. F06444

RE: CASE # CV08-01997CW

I was ducated to see the Psychiatrist (Dr. Brenner) on May 16, 2008. My appointment time was set for 11:30 a.m., and I arrived at 11:00 a.m. I surrendered my ducat to the Module Clerk from outside of the perimeter gate at 11:05 a.m., but was not granted access to the Module Yard to await Dr. Brenner's arrival.

It was 97° and no shade or place to sit, no access to a restroom, or no available place to get water. I asked occupants of the module (the clerk and the receptionist) but was denied accessibility to use these facilities.

At approximately 12:30 p.m., Dr. Brenner still had not arrived to see me, so I retrieved my ducat and walked back to the H- Unit yard where I am being housed; which is approximately 1/4 of a mile away.

At the H-Unit Yard Clinic, I saw another doctor. who said he would call Dr. Brenner's office, and explain my dilemma if Dr. Brenner had arrived. It was approximately 12: 40. Shortly after I had returned to four building, a call came from The Lower Yard Module asking me to *walk back* to Dr. Brenner's office as he had *just* arrived. I complied, and arrived at Dr. Brenner's office at the Lower Yard Module.

There were two other Inmates awaiting Dr. Brenner's arrival when I got there, and at approximately 1:15 p.m Dr. Brenner summoned one of the inmates whom I discovered was Dr. Brenner's 12:30 p.m. appointment; even though Dr, Brenner knew my circumstances and that I was his 11:30 a.m. appointment!

At approximately 2:15 p.m. I left again, as it got too unbearably hot for me to be left waiting outside. I went to the library where I work, and where it was much cooler. At approximately 2:30 p.m. I called the housing unit, but the Correctional Officer there had not heard from Dr. Brenner's office. So, I returned to my housing unit for the day.

In summary, I have done all that I can to get both medical and mental health assessments from staff here at San Quentin.

I still have not received my mediation(s), and my conditions continue to grow worse in severity and frequency. I have now had several seizures and numerous emotional breakdowns between appointments with Dr. Sprick and Dr. Chase earlier this month.

I refuse to subject myself to further disappointment, discomfort, ridicule, and indifference. Therefore, it is my intention to let the courts intervention stand appropriate under these unfortunate circumstances.

Though I will never refuse treatment, I ask that San Quentin Medical and Mental Health staff cease making matters worse by playing with my request for immediate emergency diagnosis and prognosis.

So, please provide whatever remedy you feel is appropriate, as I am now relying on the court to do the same.

Sincerely,
Paul Stelly / F86444
